Directions to Hurst Hill

- 1. From Dunsfold Common road turn into Knightons Lane
- 2. Proceed for 1 mile until you reach red post box on right.
- 3. Turn right into Hurlands Lane
- 4. Proceed to end of lane and you have Hurst Hill Lodge on your right, your GPS will probably tell you that you have reached your destination. This is not your destination!
- 5. Pass Hurst Hill lodge and proceed onto farm track

Please note, Hurst Hill Lodge has white painted elevations and is **not** where you are bound (you are heading for Hurst Hill).

Proceed onto the farm track passing two further cottages on your right, after these cottages turn left, there is a painted white gate ahead of you, proceed along track until you reach the black garage (there is only one) turn left just before it and you have arrived. Park up and knock at first door or ring hanging bell.

Have a great stay!
